I'm not sure Public Health would get involved with her. Public Health only gets involved in things like the health reports of Skid Row. Now that OHS is beginning 4 days per week they can claim they are "doing all they can."

This is what's nuts. She is very unwell. Who can we talk to at County Public Health?

Very good point. Her name is Fatima. Spoken to her briefly on multiple occasions. She won't even take a water, let alone any assistance as of yet.

We have called on her...name escapes me. Elizabeth? Anyway, she's very lucid when questioned by DMH. They won't touch her until she voluntarily goes. Now she won't. She leaved to go eat and use the bathroom. She doesn't use (from what we have observed.) She also leaves behind a suitcase in her spot sometimes which always strikes me...because if it wasn't her, then there is a suspicious suitcase with a bungee cord in front of a State building that houses elected officials offices.

She's hanging on east side of Olive a lot between 6th and 7th. She's usually on west side of Broadway, just south of 4th in Blair's district.
